

**How to read the schedule.**

Each line represents one open session for a single student. (The one-line SAMPLE shown is just an example - we do not have lessons in December, and we don't have lessons that start at 5AM.) The example line below would be for a swim lesson for one student that starts on Monday, December 6th and runs through Thursday, December 9th starting at 5:00 AM and running for 25 minutes. Note that this lesson is a 4-day lesson that runs Monday through Thursday (the Friday column is blank). Level "1" indicates that this session is only for students that match the Level 1 description found in the "Levels" page of the website. Age "4" indicates that this session is preferably for students between the ages of 3 and 5 (exceptions may be accepted). Also note that this session is with instructor Pat.
